"The mission of Myron L. Powell School is to encourage, guide, and support well-rounded citizens who reach their highest potential, becoming life-long learners who contribute to society in a meaningful way."

March 12, 2020

Dear Parents/Guardians of Myron L. Powell,

Here is our update on information regarding the Coronavirus Disease 2019 (COVID-19) and the measures being employed in our County as well as our district.

As this disease has evolved, I have been in constant communication with the New Jersey Department of Education, the Cumberland County Department of Health, and the school leaders in all other Cumberland County Schools as we make decisions for the well-being of our students, staff and families. It is important to note that as of the writing of this letter, there have been **NO** confirmed cases within Cumberland County.

We have planned as a County with all School Districts to share resources and to communicate clear, concise information. At this time **ALL** Cumberland County School Districts are open. **ALL** Cumberland County School Districts have submitted plans to the New Jersey Department of Education in the event there is a District/School closure. In addition, **ALL** Cumberland County School Districts have temporarily suspended out of state field trips and will monitor in state travel based on recommendations from the Department of Health.

If you have any questions related to COVID-19, you can call the NJ Department of Health- 24-hour public hotline at 1-800-222-1222 or the Cumberland County Health Department. Additional information can be found by visiting www.cdc.gov/COVID19 or www.nj.gov/health. District specific updates will be communicated through text, email and our phone system so please ensure that your contact information is updated with our office.

Thank you in advance for your cooperation. We remain committed to the health and well-being of our school families and our staff.

Stay Positive! Stay Healthy!

Shelley Magan
