

Home Learning Packet Schedule for MLP Families

MLP Families:

I know everyone is diligently working on the Home Learning Packet provided by our MLP teachers. When you are finished with the work that was provided, you will need to turn that work in to your teachers so that they can review and grade the completed assignments. As soon as I am notified by the teacher that each child has completed and turned in their work, I can mark the child's attendance as PRESENT for the first 10 days of home learning.

On March 31st, between 3:00-6:00 PM, families should come to the side gym door of MLP located along East Avenue. DO NOT get out of your car. I will have staff members who will come out to your car to get your completed packet of work. The staff member will go inside the gym and retrieve a new packet of work for your child to complete. If you are not available to drop-off or pick-up your child's work on March 31st, please begin to make arrangements now with a neighbor or relative to help you.

As you can see from the chart below, after the next 8 days of work are completed, we will have the same procedure for dropping-off your child's completed work on Thursday, April 9th between 3:00-6:00 PM.

It is my sincere hope that the period of Home Learning will be completed at that time and we can get back to school on Monday, April 20th. If you can any questions or concerns, or you need anything during our school closure, please reach out!

Thank you!

Dr. Magan
