

MLP Parents and Guardians,

I must thank you for the support you are providing your children during this time by assisting them with their work and helping them through this difficult time. MLP staff and families are truly partnering in pursuing excellence in educating OUR children.

I know exactly how hard you have been working on your home learning lessons provided by our amazing teachers. How do I know? **Because 92% of our students are successfully submitting their assignments and receiving excellent grades!** The unified efforts of our teachers, aides, parents and guardians have led us to tackle these challenging times with determination to ensure the health and safety of our children, while not allowing their academic success to waiver.

Therefore, you deserve a break! Please take time this holiday weekend to engage in activities that bring you and your family happiness. In a typical school year, the children would be getting ready for Field Day. There is great comfort in doing what is routine and normal. So please join as a family, as Mr. Williams did to create these videos, and engage in our MLP Virtual Field Day!

First, click on the link below, or go to Mr. Williams' website or to our home page on the MLP website to begin with the Night Before Field Day video.

<https://www.youtube.com/watch?v=3RLU444tLdI&feature=youtu.be>

Then, get a good night's sleep before you begin our MLP Virtual Field Day 2020!

Your continued support means the world to me and our staff. I am both blessed and proud to be your Superintendent and Principal!

Stay well and be safe-

Dr. Magan
